APPRENTICESHIPS AND TRAINING CONFERENCE

WELCOME

Get a taste of ATC and ATA

The **Apprenticeships and Training Conference (ATC)** returns to **Liverpool Experience Campus (LEX, formally ACC)**, with headline sponsor **City & Guilds**.

ATC has evolved to reflect the wider priorities of workforce development and the changing needs of employers, providers and learners.

Now in its **twelfth year**, the conference continues to grow in scale and influence.

In **2026**, we welcomed **1,800+ delegates and over 60 exhibitors** for two days of discussion, networking and learning, culminating in the sold-out **Apprenticeship and Training Awards Gala Dinner**. Our Liverpool venue provides a dynamic exhibition experience with expanded space, improved delegate flow and enhanced networking areas.

ATC continues to attract a highly influential audience from **colleges, universities, training providers, employers, government bodies and awarding organisations**. In 2026, we were also pleased to welcome international delegations from Canada, Europe and the United States. We hope to build on this further in 2027.

Apprenticeship and Training Awards

Founded by FE Week and AELP, the conference culminates in the celebration of the **Apprenticeship and Training Awards (ATA)**. originally launched as the AAC Apprenticeship Awards in 2018, the programme received an impressive 700 nominations in 2026.

National Finalists will continue to be celebrated and recognised at two ceremonies. In February, we will hold a Parliamentary reception which formally recognises the National Finalists, followed by the National Ceremony, which takes place at ATC where the winners are crowned.

Partnering with us for the ATAs allows you to be part of celebrating excellence in apprenticeship and training delivery. Don't miss out on this incredible opportunity to associate your brand with the best in the sector. This year's ceremony brought together over 700 attendees, join us in making next year's event the biggest yet! Nominations for the awards will open in July 2026 and close at the end of September.

This brochure outlines the sponsorship and exhibition opportunities available to help your organisation connect with the sector, raise your profile and build meaningful partnerships. We look forward to welcoming you as part of the next chapter of ATC and the ATAs.

We welcome back,

GET CREATIVE

Exhibition stands are a powerful marketing tool. In a digital world, face-to-face conversations give you a real advantage, and a well-designed stand can attract and engage delegates. Your exhibition space is an extension of your brand, and we're happy to support you with ideas to make the most of it.

Presentation - Think beyond a roller banner. Strong branding, engaging demonstrations, and effective lighting can make your stand stand out and draw delegates in.

Food and Drink - Offering refreshments can encourage delegates to stop by and spend time on your stand. Creative options like juice bars, popcorn, or branded treats can help create a memorable experience.

Competitions - Prize draws or interactive competitions are a great way to attract visitors and create a fun, relaxed atmosphere while increasing footfall.

Merchandise - Bring useful, high-quality giveaways that delegates will keep. Consider sustainable options such as reusable bottles, keep cups, or eco-friendly branded items.

Educate - Go beyond promotion by sharing knowledge. Product demonstrations, talks, or interactive displays can position your organisation as a trusted expert and create a more meaningful experience for delegates.
